English

German

ABOUT

Since I entered the university in 2019, I became interested in programming. I started with front-end programming and learning JavaScript, but when I went further, I was looking for something specific, and I found Flutter and I was able to get a very good relationship with it. And I enjoy coding with it, that's why I changed my field of activity to Flutter

WORK EXPERIENCE

Lunyx Agency
Flutter Developer
Mar 2023 - Present · 5 mos

Codeyad Academy
Flutter boot camp mentor & Flutter Teacher Assistant
Feb 2023 - Present · 6 mos

Webyana Team
